

Fulham seeks to continually provide high quality and dependable products built on solid technology platforms. It occasionally becomes necessary to end the life of products due to changes in the market and technology improvements.

This letter announces the Product Discontinuance (PD) plan for the following **EMERGENCY EXIT PRODUCTS**. The last date to order these products will be August 15, 2019 unless stock is depleted sooner. All orders must ship by September 26, 2019.

We are available and ready to discuss your specific business needs associated with this announcement in order to minimize any potential impact. We recognize that you may have one or more of these products in a project you have bid or specified. Fulham strongly encourages you to double check any potential demand and plan your last time buy appropriately.
